A STAMP OF QUALITY
Look for the REC Solar Professional stamp – your guarantee for quality.

BENEFITS FOR YOU

- **BEST-IN-CLASS SOLAR MODULES**
REC modules consistently rank number one in independent test. This is your guarantee for decades of performance.
- **BEST-IN-CLASS SERVICE**
Your REC Solar Professional has been carefully selected, trained and certified by REC. For you, this means best-in-class service and reliability.
- **EXTENDED WARRANTY**
You will receive a 10+2 year product warranty. This comes in addition to REC's 25 year linear performance warranty.

REC is a leading vertically integrated player in the solar energy industry. Ranked among the world's largest producers of polysilicon and wafers for solar applications and a rapidly growing manufacturer of solar cells and modules, REC also engages in project development activities in selected PV segments. Founded in Norway in 1996, REC is an international solar company, employing about 3,700 people worldwide with revenues more than EUR 1.7 billion in 2011.
